Once put in place, no tuition payments will be due during the period of your Tuition Account “Freeze”. Your request must have specific start and end dates for your “Freeze” to be put in place. Your Tuition Account must be current (no “past due” balance owing) for us to put your “Freeze” in place. Your Tuition Account will re-activate on its set terms after the end date of your requested “Freeze”. Your lesson attendance privileges will also resume as normal after the end date of your requested “Freeze”.
