

Graduation Week

**Monday through Sunday,
November 15th-21st**

As we have discussed in our lessons together, we will hold our Graduation ceremonies indoors at our school.

Graduation will be during your usual class time, but on the day you have selected -- either your "A" lesson or your "B" lesson.

At Graduation you'll perform a short demonstration of a selection of the skills you have learned to earn your new rank. We will then present your new belt and your certificate of rank. **Please wear your current rank belt and your uniform for your Graduation.**

We will video your Graduation, both your skill demonstration and presentation of your new rank. We'll make this video available to you a few days afterwards, so that you can share this with friends and family who are out of town, or who are quarantining, isolating, or sheltering at home to protect a vulnerable family member.

We will follow our usual safety procedures -- physical distancing, wearing masks, and checking temperatures.

If you haven't yet completed your Promotion Exam -- you've been out of town or otherwise unable to come to your lessons -- we have special Make Up sessions set aside for you during the upcoming "Catch Up" week (November 15-21). Please contact our school by phone or email at your earliest convenience and we will get you scheduled to make up your Promotion Exam.
